## YOUR DREAM POOL, DELIVERED PERFECTLY!

From concept to completion, we ensure a smooth, transparent and satisfying experience at every step.

# POOL CARE MADE EASY

A little care goes a long way in keeping your pool clean, safe and enjoyable all year round. Follow these simple tips to maintain your pool in top condition.

## 1. SKIM REGULARLY

Remove leaves and debris daily to keep your pool clean.

## 2. CHECK WATER BALANCE

Test water 2-3 times a week and maintain proper pH, chlorine and alkalinity levels.

## 3. CLEAN FILTER SYSTEM

Clean your filters regularly for better water circulation and clarity.

## 4. BRUSH & VACUUM WEEKLY

Brush the walls and floor and vacuum your pool to prevent algae and dirt buildup.

## 5. USE A POOL COVER

Use a cover when not in use to keep your pool clean and reduce evaporation.

## FREQUENTLY ASKED QUESTIONS

**Q. How long does it take to build a swimming pool?**

**A.** Typically, it takes 6 to 10 weeks depending on the design and size.

**Q. What type of pools do you build?**
